#### 07-16.10.10 | 4th Züri-Wiesn - Our Oktoberfest | Festival

Grab a stein full of beer, munch on pretzels and enjoy Weisswurst sausages. A beer tent, beer garden and the Lunapark invite you to a happy time of swaying, singing and partying. The tables in the beer tent are hot items. Whoever doesn't want to miss out should book their spot with an attractive "Wiesn offer".

#### 07.10-31.12.10 | Die Schweizermacher - the Musical | Musical in German

In 1978, the film "Die Schweizermacher" stirred up considerable controversy. The satire by Rolf Lyssy about becoming and being Swiss is still the most successful Helvetic film in history. Now it is being staged as a large-scale musical production. A satirical-ironic and romantic story becomes an experience.
